Baton Rouge Police are investigating a major traffic crash that occurred this afternoon around 3:44pm in the 5300 block of Cadillac St. at the intersection of Simplex. A 7 year old child was exiting an EBR Parish School bus which was stopped northbound on Simplex, just before the intersection of Cadillac St. Immediately after the child exiting the bus, he attempted to run across Cadillac St. where he was struck by a 2007 Chevrolet Impala being driven by a 24 year old female which was traveling east on Cadillac St.

This intersection only has stop signs for traffic on Simplex and not on Cadillac St.

Neither the driver nor the 28 year old passenger of the Chevrolet were injured. The child was taken to a local hospital and is in critical condition.

This traffic crash is still under investigation.
