The Baton Rouge Police Department is participating in a national campaign for “Drive Sober or Get Pulled Over” which begins today and ends August 31, 2014. The Louisiana Highway Safety Commission coordinates the campaign statewide with participating law enforcement agencies through grants. The grants fund the overtime pay for officers to conduct saturation patrols, checkpoints, and other enforcements aimed at drunk driving. Alcohol is the leading factor in many of the fatal crashes in Louisiana. Baton Rouge Police would like to remind drivers that if you go out drinking, get a designated driver or call for a taxicab. Please remember, “Drive Sober or Get Pulled Over”.
