BRPD Furthers Discussion with Area Law Enforcement Agencies Concerning Crime Abatement

Chief Dunnam and Colonel Reeves had a very productive meeting today discussing strategic, intelligence-driven policing that will proactively address crime issues in Baton Rouge.

This is part of an ongoing dialogue among law enforcement agencies that will include East Baton Rouge Sheriff's and the EBR District Attorney's Office in future discussions.

Louisiana State Police currently maintains a robust presence in the Baton Rouge area with their Headquarters, Crime Lab, Troop A, Fusion Center and Violent Crimes Unit. The Louisiana State Police Fugitive Task Force also aids in the apprehension of violent fugitives.

More information will be released when appropriate. The goal of this initiative is to keep the criminals who terrorize this community on their heels. Therefore, we plan to be careful in regards to releasing specific strategic details.
