News Release

November 12, 2015

FOR IMMEDIATE RELEASE

## **SAFE TRANSACTION ZONE**

In an effort to better protect the citizens of Baton Rouge, the Baton Rouge Police Department has set up a “Safe Transaction Zone” in the northeast parking lot of the headquarters building located at 9000 Airline Highway.

We welcome the public to our “Safe Transaction Zone” to show, inspect, or purchase property that is for sale through e-commerce sites in order to conduct their online transactions in a safer way.

The parking lot is monitored by surveillance cameras 7 days a week 24 hours a day but we would request that the meetings and transactions take place during daylight hours.”
