FOR IMMEDIATE RELEASE

ATTEMPTING TO ID INDIVIDUAL IN PHOTO

Baton Rouge Police detectives are attempting to identify the individual in this photo who is believed to have placed a small video camera in the men's urinal at the office building of 4000 S. Sherwood Forest. The device was found by a male on November 24, 2015, who was using the restroom.

The camera was retrieved and an analysis was completed in which the image of this individual was observed.

Anyone with information on the identity of this individual is urged to contact the Special Victims Division at 389-3853 or Crime Stoppers at 389-7867.

Thank you for your assistance.
