Baton Rouge Police Detectives are attempting to identify the individuals in the attached photographs who are responsible for making unauthorized transactions with a stolen credit card.

On November 21, 2014 the three subjects entered the Poise'n Ivy Woman's Boutique, 7276 Highland Road. The two females distracted an employee by trying on clothes, while the male subject roamed the store. The male subject was then observed by another employee walking out from the employee's break area. The three then left the store together. The employee, who had been assisting the females, learned that her purse was missing from the break area.

The subjects used a credit card from the purse to purchase around \$620.00 worth of merchandise from a local electronic store.

Anyone with any information on the identity of the individuals is urged to contact Financial Crimes at 389-3871 or Crime Stoppers at 344-7867.
